Important Update!

- **School Reach** is a system we use to send phone messages to families. If your phone number has changed, please let the school office know so we can make the change or you will not receive phone messages.
- We would like to start sending reminders via **Edline** email. However, to receive the email we need **the PARENTS email** set up. Parents, if you have not set up your email or need to update it on your Edline account, please do so as soon as possible.
- Notification of a snow day or late start day will be send out through **School Reach**. Within 15 minutes of the School Reach message (regarding snow days) parents can go to the home page of Edline and the information will be posted. This is only for parents with students in K-8th grade.

If you have questions on either program, please contact the school office for help.

Hot Lunch!

Hot lunch order forms went home in student folders today. They are due back **tomorrow WITH PAYMENT**. Remember you will have one week from the previous order still remaining. Forms are also available on the home page of Edline.

Open House!

This is a great time to see what our students have been doing. New families will be able to talk with teachers and staff. If you know someone who is interested in the school, please bring them with you.*

Weekly folders will go home on Wednesday next week due to Open House.

Boy's Basketball!

On January 30th the boys had their first league game. Both boys' teams took on Capital Christian. The Red team played their "B" team and took a lead shortly after the tip and never looked back. The final was 38-5. Joe Gallo led the way with 10 points followed by Zane Warkentin with 8. Every player on the team contributed to the attack. The White team took on Capital's varsity and had a barn burner. The Capital team, after trailing most of the game, took the lead with 23 seconds left in the 4th quarter. Gage Geist popped a 17 footer with seconds to go to allow the Crusaders a 35-34 victory. Gage led the team with 20 points.

On January 31st the Crusaders took on Virginia City. While the Crusaders lost 32-61 they still finally figured out a few things about themselves. Michael Davis and Tyler Waite gave the team an added spark while Jacob Pence and Zach Ferez took charge of the Paint. The shot of the day happened when Cameron Drudge sunk a three point heave from the half court line as time expired in the first half.
