Dear Parents:

Something to ponder.

In October of 2016, we gave grades 2-8 the Iowa Test of Basic Skills. We test our students in several different areas. They include Reading, Math, Science and Social Studies. We are extremely proud to say that our School average was 79% in our overall Scores.

Since we began with a new testing program in 2011, I have taken the opportunity to find our 8th grade averages. Why the 8th grade? I choose the 8th grade because it is the culmination of our academic program. By 8th grade we hope to have the best student available.

- Since 2011 our 8th graders have a testing average of 87% in all subject areas.
- Our 2016 ELA Score was 94% (Includes reading, writing, comprehension and vocabulary)
- 2016 Math Score was 91%
- Overall 89% when including Social Studies and Science

May the Lord's Peace be with you.
