Length requirements must be respected. Shoes with closed toes and heels with socks are a must. Please refer to the school handbook on RenWeb if you have questions.

Next Week 2nd-8th grade

Students will not be allowed to leave or enter rooms during testing time. Students need a good night of sleep and a nutritious breakfast.

Canned Food Drive!

October 31 at 8:15am (when school starts) is the last day to bring in canned, non-perishable food for F.I.S.H. **Our goal is 7,000 cans for the entire school.**

We have 2 challenges:

- *If the school, as a whole, collects 7,000 cans, Mr. Karges will get duct taped to the basketball pole, and all students will get a free dress day. **Students who bring in 40 cans will get to help tape Mr. Karges to the pole.***
- *The class with the highest per student average will get a free dress day, pizza, and the Crusader trophy filled with candy.*

The school total as of today is 921 cans. *Can we do it? Remember, the real goal is to help feed the homeless and hungry of Carson City.*

Hot Lunch!

Hot lunch order forms went home in student folders today. They are due back tomorrow WITH payment. **Please, please double check your total amount due. It can only end in 25¢, 50¢, 75¢ or 00¢.** Order forms without payment will be sent back home with the student.

This is the last hot lunch order that will be sent home in folders. We will be sending out an email, the week lunch orders are due, with a link to print the order form just as we have been doing with the newsletter. If you are purchasing lunch, you will print the form, fill it out, and return it with payment to the school. There will also be forms in the office for you to pick up.

Volleyball write-ups for the season and Cross Country Championship results are posted on the back of this newsletter.

VOLLEYBALL!!

At the beginning of the season, the **6th graders** were super excited to play volleyball. On the first practice, we did pretty well for a year off. The very first game we played we did well! Our second game was the same day, we lost to Snow's by one point. A few practices later Lily Foster made an awesome spike. I can't wait to see her do it in a game next season! Tiana Griffin was all over the court all the time; you could always count on her! We all are so proud of Samantha Steyn, the only 5th grader on the team! She was great, without her we wouldn't be as good as we are now. Nicole and Sandra Denney were great servers and scored many points for us. We had fun learning through Hayden Steyn how to bend our knees. Miss McCormick would bring the cart over and just keep throwing them at him until it was empty. Mikaela Christenson, also a new addition to the team, was a great one! She improved very much over the season and was a great player. This season was great and I can't wait for next year!

The **7th grade** team had a great season this year! We ended up in second place with a record of 11-7. We started off this season very strong! We had back-to-back games and won our first game 2-1. After the first game, we were a bit exhausted and lost to St. Alberts 1-2. We played the following game against Our Lady of Snows and won 2-1. We received a nice rest and went 3-0 against St. Teresa on 9/21. The next Sunday, we had trouble moving our feet and bumping the ball back, so we ended up losing to St. Alberts 0-3. We regained victory by winning over St. Teresa 3-0 earning our spot in second place! Great job Crusaders! This had been a fun season this year! I can't wait to play with you all next year!

The **8th grade** volleyball team had a very successful season. This team consisted of nine amazing people, some who had played volleyball before and some who had never played. This team works so well together. We have created memories and lots of inside jokes that cannot be explained and have progressed so much. Grace Foster served amazing and held the position of the tallest person on the team. Dominic Azevedo was amazing at being tall as well and started a lot of the inside jokes. Emily Baughman had spectacular bumps and sets. Rachel Churchill progressively got louder when she called the ball. Amanda Wen attacked the volleyball successfully so many times, I lost count. Gia Gupta might have nailed a few people with a volleyball, but her serves were spectacular. Quinn Pulver played wonderfully and her sets were amazingly low and made us hustle. Alex Garton's spikes were excellent and they only got better as the season progressed. We couldn't have accomplished this much without our two absolutely fantastic coaches, Miss McCormick and Mr. Soderstrom. We were ranked 2nd and ended the season 15:14. Championships took place on October 4th and we started by playing St. Teresa where we won 2:1. The 8th grade team then turned around and played Our Lady of Snows. We played tough, but ended up losing. We did win 2nd place in the CYO volleyball championships. Fantastic is the one of the many words that I use to describe how amazing the team did this year. Oh, and one last thing...GO CRUSADERS!

CROSS COUNTRY!!

We had another great end to our season. Our last meet was moved up a day to avoid rain, wind, and cold weather, but our team did not let that affect their mad running skills. The 7th grade girls team ended the season with an average of 11:45 minute mile. The 7th grade boys team was down a couple of runners for the meet, but they still held an average of 10:30 mile with Nathan Highley running an impressive 8:48 minute mile. The 8th grade boys team continued to impress everyone with running an 8:15 minute mile. Way to go, Crusaders! I am so proud of you. I can't wait to see what next year brings us.
