## 2019 Crusader Track and Field Season in Review

The 2019 Bethlehem Lutheran Crusader Track and Field season began in March with 31 athletes. After two weeks of conditioning, the 5th and 6th grade athletes had their first meet on April 4th. They had a great showing with times and distances that set the bar for what was to come. The season kicked into high gear on April 25th, when all of the athletes went to Carson Middle School for the first Tah-Neva regular season meet. The entire team posted very impressive marks for the first meet. The season continued on the next two weeks with athletes posting PR's each meet and always striving to be better in their events. On May 14th, some 1000 athletes descended upon Carson High School and their beautiful track and field complex. With overcast skies, temperature in the mid to upper 60's, and the adrenaline flowing, the Crusader team was ready for a banner day at the Tah-Neva Championship Track and Field meet. They did not disappoint. A few quick numbers for the day:

- \* 26 athletes competed at the championship
- \* 19 athletes posted at least one PR
- \* 27 PR's were posted for the Crusaders

All in all, the 2019 Crusader track season was a success and the future looks to have some fantastic athletes returning next year. **GO CRUSADERS!!!**
