National Lutheran Schools Week and Penny Wars January 27th-31st

The year's theme is Endure. We will be celebrating with dress up days, daily devotions, penny wars, and some fun competitions. A sheet with the information was sent home with students before Christmas break. We have also posted it on the FACTS Family Portal. Now is the time for your child to start using their imagination to think about how they want to dress. This is always a fun week, and we look forward to seeing how the students dress each day.

Our chapel offering for the second half of the year will be used for a local organization called Feeding Pets of Homeless. They help with pet food and emergency veterinary visits for people experiencing homelessness. We have currently collected \$57.87.

As most of you know by now, I am retiring at the end of this school year. As I am moving forward with training Miss Soderstrom, who will be taking my place, when sending me emails if you could cc her (ksoderstrom@blcs.org) on the email, that would be great. My response to your emails will include Miss Soderstrom. If you have any questions, please feel free to contact me.
